Of Pigs and Pork

Canadian pork comes from pigs raised on family farms in Alberta where the animals are fed on a diet of locally grown wheat and barley, without added hormones. Pig farmers are highly skilled in meat-processing, aging the meat for optimum marbling, and adhering to the highest sanitation and food safety standards.

豬和豬肉

加拿大豬肉來自於艾伯塔省家族農場，用當地種植的小麥和大麥等飼料飼養沒有注射荷爾蒙的豬隻。當地養豬人員在肉類加工方面技術精湛，熟化肉食以求最佳的肥肉花紋，並嚴格遵守最高的衛生條件和食品安全標準。

Sustainable Seafood in Pristine Water

Canada is famous for its safe, wholesome fish and seafood products. A wide array of wild fish and shellfish make their home in the beautiful coastal waters of British Columbia and Atlantic Canada, offering a clean environment for the many delectable marine species to thrive in, and is also sustainably managed to support healthy and productive ecosystems.

原始淨水中的可持續海鮮

多種不同的野生魚類貝殼類，在不列顛哥倫比亞省和加拿大大西洋潔淨的沿海水域中棲息生長。不受污染的海洋為眾多美味的海鮮品種提供了一個潔淨的生長環境，而持續捕撈管理政策可確保健康的生態系統。

Organic or Natural Products

Canada's large and varied land base, combined with its cooler climate, make it an ideal country for growing various types of crop and grain, such as organic quinoa, wild rice, soy beans, and fresh fruit. World renowned Canadian Icewine is fermented from naturally frozen red and white grapes of many varieties.

有機或自然食材

加拿大地理環境和氣候非常適合種植有機藜麥、野生稻米和大豆等穀類和水果。備受全球酒客讚賞的加拿大冰酒，由多種冰凍紅葡萄和白葡萄發酵而成。
